THE BENEFITS

PRE-PLAN YOUR FUNERAL AND HAVE IT YOUR WAY

It's a good opportunity to have an open family discussion about your preferences. This way everyone is aware of your wishes and knows who to contact and where important documents are kept.

By pre-planning your funeral, you can choose the type and style of funeral service you would like and how much you wish to spend.

A few decisions now will save your family a lot of anguish later.

You are able to select from below:

- The type and style of funeral
- A burial or cremation
- Which cemetery or crematorium
- The type and style of coffin, casket or flowers
- The type of death notices
- Special features in the service, such as a poem or piece of music
- The wishes of your family and friends
- How much you would like to spend

If you require any help please contact one of our friendly staff at Dailey Family Funerals on **(02) 4956 4221** and we will work through it together with you.
